The "Bolgiano" Tomato A Wonder.

On September 17th, Mrs. F. F. Draine, of Charlotte County, Va., wrote: "The 'Bolgiano' Tomato is a wonder. We are greatly pleased with the results. They required very little work and the fruit ripened about three weeks earlier than any other we had ever planted. The fruit is very solid, which makes it delicious to eat, and it can be shipped or carried to market without being mashed. They are beautiful in shape, being round and smooth, with no rusty ridges on them and are nearly all about the same size. The vines are large and stout, which holds the fruit off the ground. We were gathering ripe fruit from them about the first of July. Since then we have been picking continuously and have enough for both canning and for market. There are still a large quantity of ripe and green tomatoes on the vines."

Well Pleased With "Glory."

On August 14th, 1920, Mr. Antoine Bessett, of Sussex County, Del., wrote: "I am pleased with Bolgiano's Glory Tomato. We bought a few seed for trial last year, and they grew fine and made big vines, which are as full as can be of large, fine tomatoes. I find them very fleshy and not watery, as most early tomatoes are. They have a soft, sweet flavor. They have done far better than any other tomatoes we planted. The weather has been very wet all year, and the rain has made them grow better. They are planted in heavy soil."

The Most Wonderful Yielder.

On August 18th, 1920. Mr. Jos. W. Field, of Franklin County, Mass., wrote: "The 'Bolgiano' Tomato is the most wonderful yielder I have ever seen, with 16 or more tomatoes on one stem. The tomatoes are a beautiful color and shape, and almost as large as Henderson's Ponderosa."

On July 24, Mr. Fetch, of Bradford Co., Fla., wrote: "It gives me pleasure to state that the early Red Valentine Bean Seed which I purchased from you was successful. They withstood the drought and bore a crop of crisp, tender beans while my frineds who had used other stocks had poor success."

Well Pleased With Bolgiano's Seeds.

On Aug. 17, 1920, Mrs. T. S. Graybill, of Lancaster Co., Penna., wrote: "In regard to the Long Lost Lettuce Seed I purchased from you, I wish to say that I believe every seed came up. I sold bushels of baskets of short cuttings, and some planted made wonderful crisp lettuce. I also had some of your Tip Top White Tip Radish, which proved to be a wonderful Radish. In fact, all of the seeds I purchased from you were the best I have ever used."
